

ENECON Hampton Roads Hosts a “Customer Appreciation Day”

Ed and Andy recently joined Garry McGehee at his *Open House and Customer Appreciation Day* at his new offices & warehouse in Portsmouth, Virginia.

Garry was very proud to show off his new, 3,500 square foot, state-of-the-art corporate facilities.

About 35 clients from the Norfolk/Hampton Roads/Portsmouth area participated in the festivities – including top representatives from the US Navy – some of whom were old friends. The event included a “mini trade show” followed by a buffet lunch.

Our congratulations to Garry, his brother, John, and the entire ENECON Hampton Roads sales and technical team who worked very hard to make this event truly memorable.
