

ENECON Hosts Another Successful Sporting Clay Shoot Customer Event in Pennsylvania

Ruth Ann Kershaw, ENECON's Regional Sales Director for Central PA, consistently attracts large crowds of customers and prospects to her semi-annual technical seminars.

Her latest seminar was held at Lehigh Valley Sporting Clays in June, 2016 and it was her best attended seminar to date! There were 48 attendees at this event from a variety of different industries, such as state agencies, municipalities, steel mills, engineering companies, manufacturers and more.

The attendees were treated to a continental breakfast, technical seminar, a hands-on mixing and application session followed by a BBQ lunch. After lunch the group split up and shot a full round of sporting clays. First, second and third place trophies were awarded. Everyone who attended agreed - "what a great day".
