

## Largest Indoor Soccer Facility in North America Selects ENESEAL HR to Repair & Protect Roof

**Client:** Soccer Center  
**Location:** Alberta, Canada  
**Problem:** Leaking 20 year old roof.  
**Solution:** Repair over 300 holes and open seams in the roof with **SuperBond** + **ENESEAL HR** + reinforcement cloth. Spray-apply 2 coats of **ENESEAL HR** over entire roof area.  
**Cost:** \$400,000 turn-key project cost.  
**Savings:** Cost of conventional roof replacement was projected to be over \$2,000,000.
